Home Depot			(800) 557-5221	Make your bathing experience easier and more relaxing. The Home Depot can help you with all of your bath accessibility needs by replacing your existing bathtub with a walk-in tub, bringing you the safest and most convenient bath environment possible. We also offer grab bars and rails. We can refer you to certified professional contractors who can come to your home to inspect what you need. Limited selection of bath safety products may exist.	http://www.homedepot.com/services/walk-in-tub-installation/
Indian Health Council Inc.		50100 Golsh Rd Valley Center, CA 92082	(760) 749- 1410	We offer home safety checks.	www.indianhealth.com
Interfaith Community Services		500 W. Washington, Ave. Ste B, Escondido, Ca. 92056	(760) 489-6380	Operating throughout North San Diego County, volunteers and local businesses are recruited to assist in making minor home repairs for qualified seniors. These repairs, such as fixing leaky faucets, repairing screen doors and windows, and installing grab bars or smoke alarms, make it easier and safer for seniors to stay in their own homes.	https://www.interfaithservices.org/
Jewish Family Services (JFS) "Fix-It" Service	fixit@ifssd.org	8804 Balboa Ave San Diego, Ca 92123	(858) 637- 3354	Volunteers provide minor home safety modifications and minor home repairs for low income seniors. Services are available through a grant from the county through Aging and Independence Services to provide relief to unpaid caregivers of seniors age 60 and older. Typical home modification/repairs include installation of grab bars, handrails, smoke detectors, carbon monoxide detectors, wireless doorbells, as well as minor carpentry and plumbing. The senior must have an identified unpaid caregiver (a caregiver can be a neighbor or friend who checks on the senior in person or by phone).	http://www.ifssd.org/site/PageServer?pagename=programs_older_fix_it
